

San Bruno Grade Separation Project

August 25, 2009

San Bruno City Council Meeting

Project Goal

- **Improve Safety by eliminating conflicts between trains and vehicular/pedestrian traffic at crossings between I-380 and San Felipe Avenue in the City of San Bruno.**
- **The City of San Bruno's goal is to provide a centerpiece-focal point for future plans.**

Project Schedule

New Funding Source requires Award of Construction Contract by July 2010

Accelerated Project Schedule

- **Final Design: September 2009 – January 2010**
- **Procurement: February – June 2010**
- **Underground Utility Work: April – June 2010**
- **Construction Contract Award: July 2010**
- **Construction: September 2010 – June 2012**
- **Street Closures: Spring 2011 (2 Weekends)
Spring 2012 (2 Weekends)**

Grade Separated Vehicular Crossings

- Angus Avenue
- San Mateo Avenue
- San Bruno Avenue

* Scott Avenue will remain open. No construction work will be performed at this crossing.

Pedestrian Underpasses

- Sylvan Avenue
- At New San Bruno Caltrain Station
- Euclid Avenue

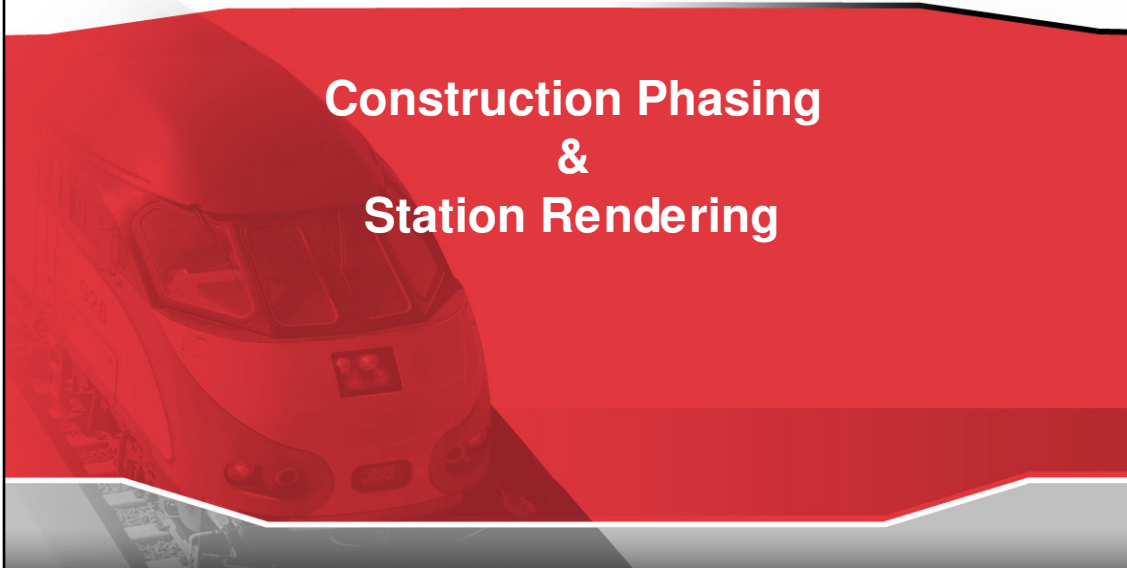

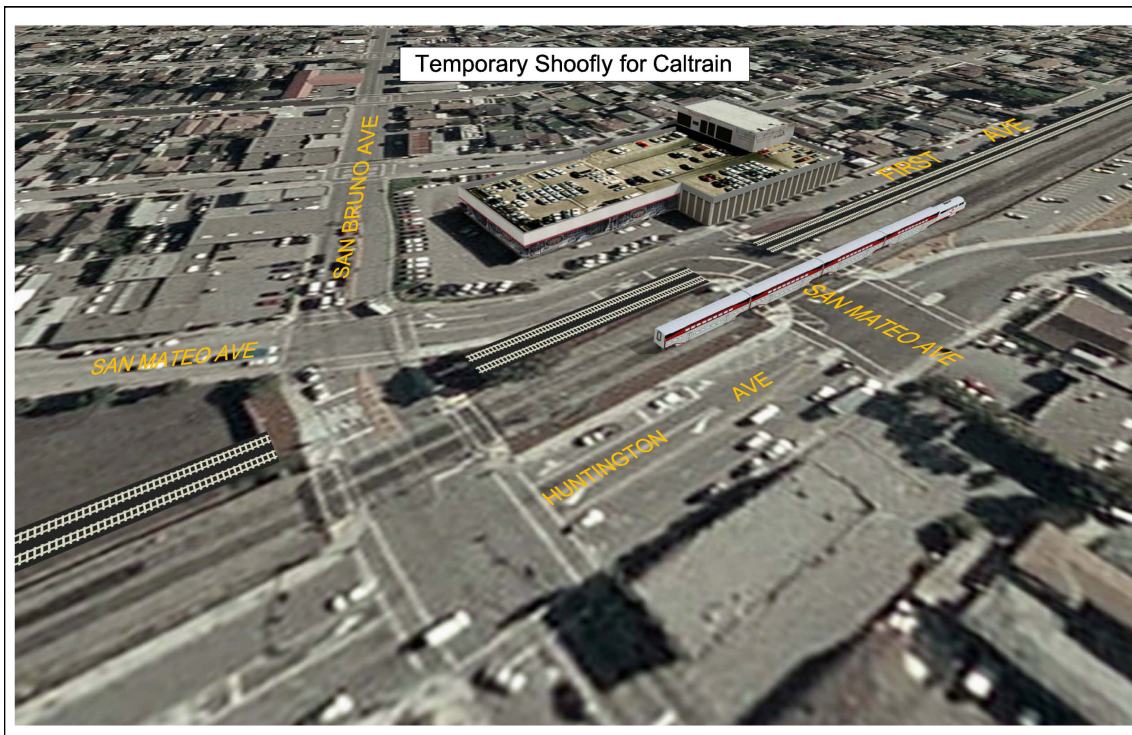

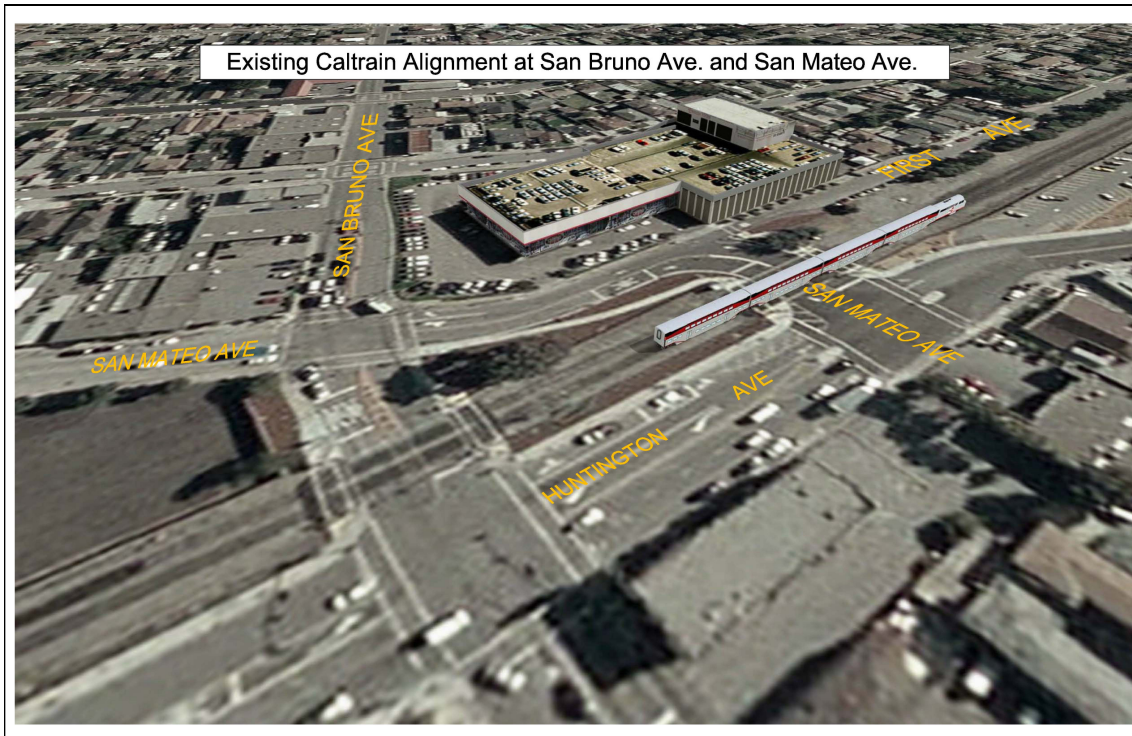

ROW Issues

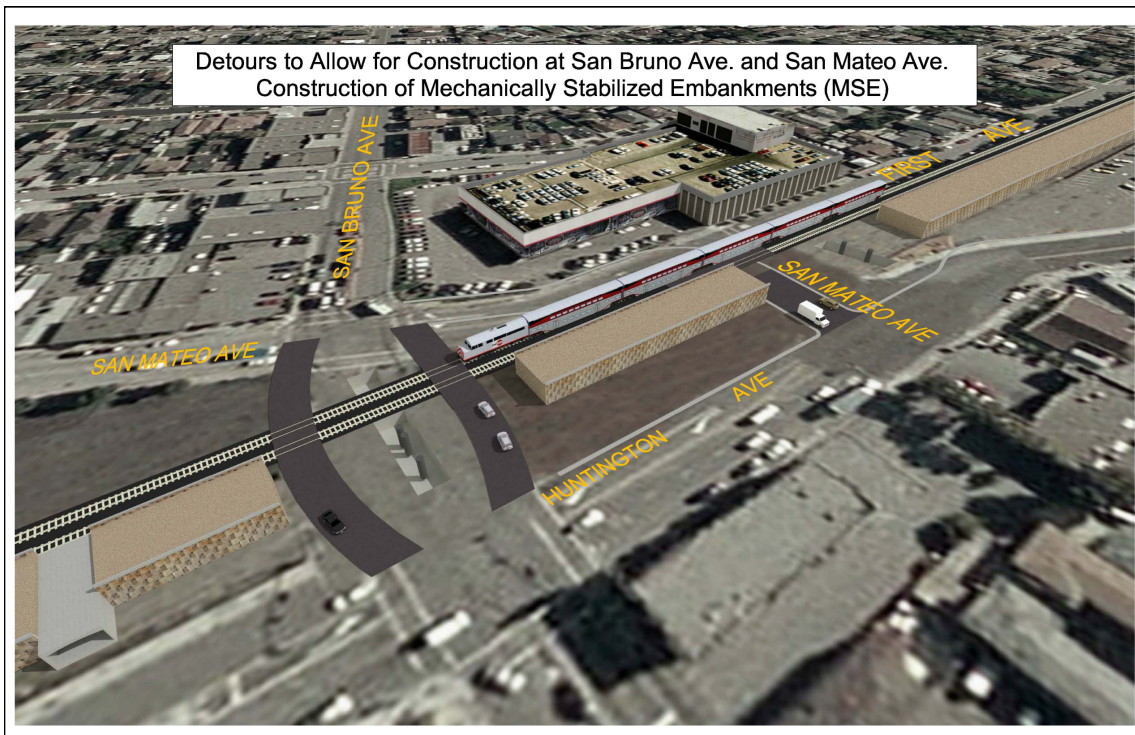

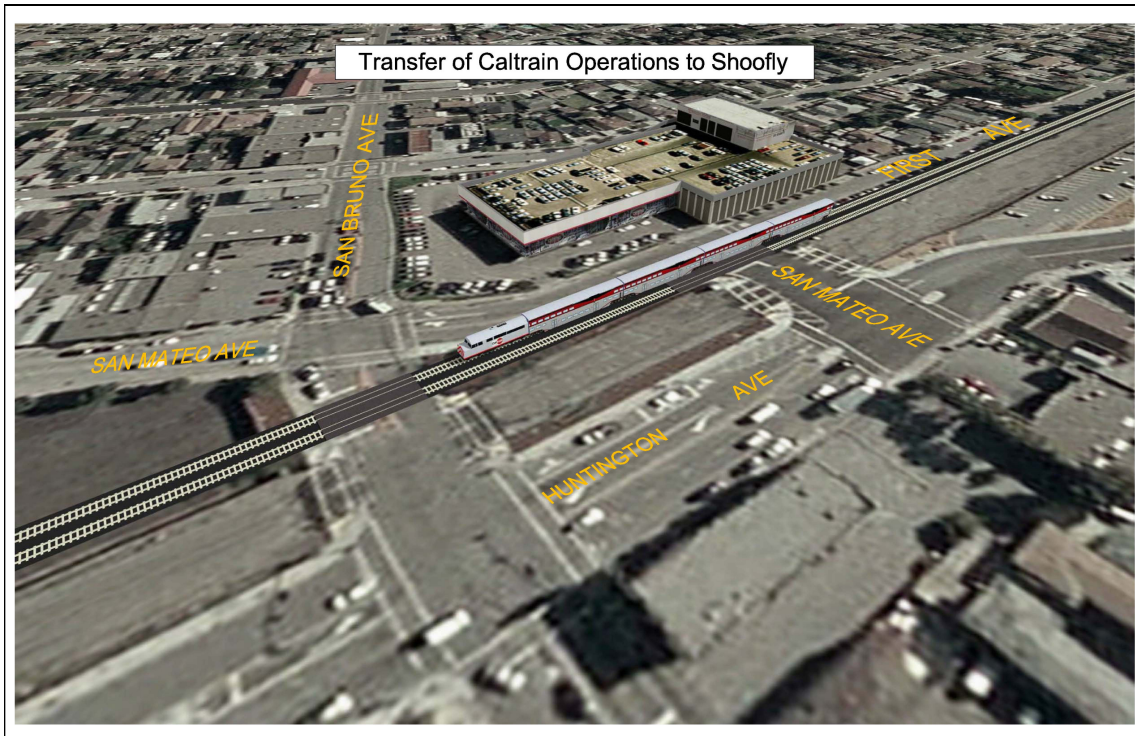

- No major property takes – project is within JPB ROW
- Minor property take at Melody Toyota (approximately 160 square yards)
- Relocate 10 parking spaces for Artichoke Joe's
- Temporary loss of parking during sewer line construction at Artichoke Joe's
